Writing the essay relieves you from having to take the test with the class. You have from the time you receive this paper until the day of the test to write the essay at home. In order to be dismissed from the test your completed essay must be turned into me at the beginning of the class period on test day (no exceptions).

- ✓ Your essay will be graded and hold the same weight as a test (100 points). Things I will be looking for while I read them include:
  - Do you have an understanding of the material?
  - Did you include facts?
  - Did you use the proper format?
  - Was it legible?
  - Does your answer make sense?
  - How detailed were you in giving your answer?
  - **Did you cite your sources?**
- ✓ Furthermore, remember our rule about plagiarism, if you get information from ANYWHERE you must tell me where you got it! I WILL BE CHECKING!!!

If you do not choose to use the essay option or do not have your essay to turn into me at the beginning of class on test day you will be expected to take a 25 question exam based on the information from this chapter.
